Poop-A-Laylee was recorded in my daughter, Hayley's, bedroom in Autumn 2011. Steve played ukulele, acoustic guitar, electric guitar, drums, Ashiko drum, kazoo, mouth trumpet and bead shaker. Steve sang and harmonized, too. Steve co-produced Poop-A-LayLee, his first album.

Thanks to my nephew, Sasha, for recording and co-producing.

Thanks to the third grade giggle squad of Flood Brook Union School, Londonderry, Vermont and their music teacher, Mike Turk.

Thanks to my wife, Heather, for her vocals on *Whose Shoes Will You Wear?*
